Technability Privacy Statement

What this statement is about.

Technability is committed to protecting your privacy while browsing our website or using our services. Set out below is information that we collect and the way we use it to optimise your experience of our site.

Information automatically logged

Technability may make a record of your visit and logs the following information:

- Your IP address
- The date and time of your visit to the site
- The pages you have browsed and any documents you downloaded
- The type of browser you have used

No attempt will be made to identify individual users with this information

Security Information

The Spastic Centre has security measures in place to protect against the loss and misuse of information as defined by The Spastic Centre's IT policies.

Collecting Personal Information

Technability does not collect any personal information about you unless you give it to us. Any information you give to us such as names, postal addresses, phone numbers, e-mail addresses will only be used by Technability to respond to your requests for services or product offerings from time to time.

If you wish to unsubscribe from the Technability website, you can send an e-mail to any Technability staff member the Spastic Centre's webmaster (visit www.thespasticcentre.com.au) and request your details to be removed from our database. Alternatively you can unsubscribe using the unsubscribe form on the Technability site.

Use of cookies

Technability's website is designed to give you useful information about our products and services. Cookies are used to tailor your web experience to suit your needs. A cookie is a piece of information that a website transfers to your computer's hard drive for record keeping purposes. It may hold information such as username and passwords. Technability extends the same privacy principles to cookies as other personal information.
